BE SMART DON'T

alot of people think that e-cigarettes are harmless because they don't smoke tobacco. But are mistaken because they contain nicotine. Alot of teens have stopped smoking because they learned and we encourage you to do it to.

This is what our world looks like when we smoke.

Children are breathing in second hand smoke.

All tobacco products can damage your organs including the lungs.

Dogs and other animals are eating cigarettes.

Lit cigarettes are causing fires. E-cigarettes are blowing up & harming people.

So Don't Use Tobacco!
