

Looking For Work?

**Did
You
Know** ?

People who smoke have a harder time finding employment compared to people who don't smoke.

Only 7 out of 25

people who smoke find employment after 12 months of searching!

Smokers earn on average

\$5 less per hour
than nonsmokers.

People who smoke and seek help decreasing tobacco use through programs like Nebraska Tobacco Quitline have a better chance at stopping smoking.

Nebraska Tobacco Quitline is a **FREE** service to all Nebraskans. Whether you are thinking about quitting, are not ready to quit, or have already quit, Nebraska Tobacco Quitline can help you each step of the way.
